20:20 VISION

THE WAY AHEAD FOR SCOTTISH HOUSING?

The last 20 years has seen many changes in Scottish housing and in the development of tenant participation. This conference will provide an opportunity to look at the key changes and achievements that have taken place. It will also update on the Scottish Government's new Housing Bill to be introduced this spring.

Over the course of this conference delegates can look forward to:

- An opportunity to review achievements and developments in housing policy and tenant influence over the past 20 years
- A Question Time session on the "Way Ahead for Scottish Housing" with representatives from the Scottish Government, CIH, landlords and tenants organisations
- Practical case studies of how tenants and landlords are working together to make a difference
- A range of topical and skills based workshops

The TIS conference has something to offer everyone whether you are a long established member of a tenants and residents group or new to tenant involvement. The conference is also aimed at Tenant Participation staff, Community Workers and other staff working with tenants.

Venue

Due to popular demand we are going back to the Beardmore Hotel. The hotel sits on the banks of the River Clyde and offers first class conference facilities, accommodation and leisure facilities. The hotel is wheelchair accessible and has a loop system. The hotel provides twin and single room accommodation. On the Saturday evening there will a special 20th Anniversary dinner dance.
